Brilcode Technology

Based on the purpose, target audience, what kind of logo can be used:
 • Horizontally
 • Vertically
 • as Logo icon only

New Logo Icon Concept
Brilcode Technology

Logo Icon Meaning

New logo icon for Brilcode Technology includes three programming specific symbols:
 - < " opening angle bracket
 - "]" right bracket
 - "-" minus sign

They are meant to represent coding and usage of programming languages in the creation of software technology.

When combined together in your logo icon they shape a hint of the letter "b", which creates strong connection with the company name Brilcode Technology.
